

# INTRODUCING DOWNTOWN C-PASS

## Get a free ride thanks to Downtown property owners.

The Downtown C-pass will give you free, unlimited access to COTA for work or play.

Forget about traffic jams or parking headaches. You can use your Downtown C-pass to head to one of the many summer festivals, ride the AirConnect to John Glenn International Airport, or cheer for the Bucks on campus this fall (OH-IO!). There's no cost to you.

### Here's what you need to know:

- Contact your property manager to get your pass.
- Choose a pass option (including a smart phone app).
- Passes are active through December 31, 2020.
- Use C-pass on any COTA route, any time, any day.
- No sharing—C-pass will be revoked if misused.
- Check out commuting resources at [DowntownCpass.com](http://DowntownCpass.com).

**New to the bus?** No problem. Be on the lookout for how-to videos. Grab a friend and try it together.

### 5 REASONS to Ride the Bus

- 1. Live the big city life:** Ride to the Short North for an evening with friends or check out the Franklin Park Conservatory on a Saturday.
- 2. Be a tourist in your own town:** If you love riding transit in other cities, take it here and vacation in Columbus.
- 3. No more parking hassles:** Say goodbye to circling the block multiple times and trying to beat that other car to the open meter.
- 4. Save money:** Fewer miles on your car equals fewer car-related expenses, or maybe no car at all.
- 5. No more road rage:** Let the COTA driver deal with traffic headaches.
